

Department of Public Works
Additional Trash Container Application
60 North Parke Street, Aberdeen Maryland 21001

This application is for permitting additional trash containers over and above the issued city-provided container designated for trash or garbage. Residents may procure, at their own expense, additional commercially available containers for trash or garbage. **Additional containers for trash or garbage shall not exceed 64 gallons in size, be suitable for a semi-automatic lifter and be green or black in color.**

Permits are \$100 per additional container, per fiscal year (July 1 – June 30). Fees are not prorated or refundable. The City Finance Department will mail you a permit to the service address below once the fees are received with this form. The Permit is required to be attached to the container for it to be serviced.
